

REMARKS

In an Office Action dated June 12, 2007, the Examiner allowed claims 1-4 and 6. Applicants thank the Examiner for the indication of allowable subject matter.

In addition, the Examiner objected to the Abstract. A rewritten Abstract has been provided that is believed to comply with the word length and single paragraph requirements.

Furthermore, the Examiner rejected claim 5 on the ground of nonstatutory obviousness-type double patenting. Claim 5 has been canceled. Thus claims 1-4 and 6 are currently pending.

The Director is authorized to charge any additional fees due by way of this Amendment, or credit any overpayment, to our Deposit Account No. 19-1090.

All of the claims remaining in the application are now clearly allowable. Favorable consideration and a Notice of Allowance are earnestly solicited.

Respectfully submitted,

SEED Intellectual Property Law Group PLLC
